Mount Kenya University

VISION

To be a Global Hub of Excellence in Education, Research and Innovation

MISSION

To Provide World-Class Education, Research and Innovation for Global Transformation and Sustainable Development

PHILOSOPHY

To harness knowledge in applied Sciences and Technology for the service of humanity

CORE VALUES

Innovation • Equity • Integrity • Academic Freedom • Competitiveness

ACADEMIC CHARACTER

With an emphasis on Science, Technology and Humanities, Mount Kenya University offers an all-rounded education including moral and professional education to all persons irrespective of religion, race, gender or political affiliation, social or cultural background. It endeavours to develop well-trained manpower equipped with technological scientific knowledge and capacities from certificate, diploma, undergraduate and postgraduate degree courses.

Message from the Guest Speaker

**Dr. Tonny Omwansa, Chief Executive Officer,
Kenya National Innovation Agency, (KeNIA).**

DR. TONNY OMWANS,
Chief Executive Officer,
Kenya National Innovation
Agency, (KeNIA).

Today, we celebrate an extraordinary milestone of the 27th Graduation Ceremony, and the transformative power of innovation led by Higher Education Institutions. The theme, “Catalysing Innovation: Universities as Drivers of Artificial Intelligence,” recognizes that universities like MKU are not just academic institutions but they are catalysts for progress, actively shaping the AI-driven future in Academia.

At the Kenya National Innovation Agency, I’ve seen how AI can revolutionize societies, enhancing agriculture, healthcare, education, and beyond, yet this transformation doesn’t happen in a vacuum. It requires institutions that embrace innovation, equip

learners with hands-on skills, and build ecosystems that connect academia, industry, and government.

Mount Kenya University is leading by example. Through initiatives like the DAAD-funded ACCESS 2.0 project, where MKU is spearheading AI-driven entrepreneurship education and integrating capstone assignments into a national curriculum spanning 10 universities. By embedding problem-based service-learning in MBA programs and launching student idea clubs, living up to the SDG 9 where Mount Kenya University (MKU) has been appointed as the United Nations Academic Impact (UNAI) SDG 9 Hub Chair for Industry, Innovation, and Infrastructure.

ACCESS 2.0, led by MKU in partnership with Leipzig University, has secured €4.5 million to run from 2025–2029 and is supporting annual student innovation from 9 local affiliate universities and the driving theme is **“Innovate for Impact: Scaling Kenyan MSMEs through SDG 9”**. This demonstrates MKU’s commitment to nurturing graduates who are not only

skilled but prepared to launch ventures that benefit society.

To Our Graduating 2025 Class: you stand at the frontier of a new era. With AI, entrepreneurs can not only innovate, but they can transform lives. For inspiration, look at MKU’s own past graduates who are now bridging technology with social impact.

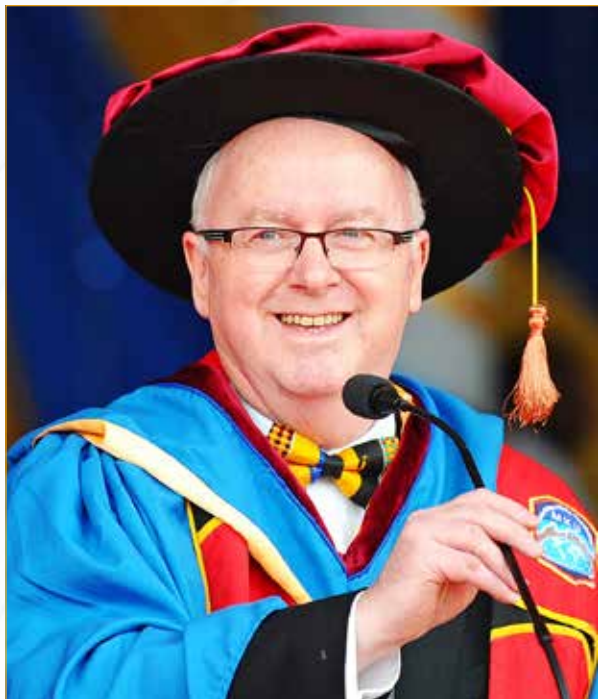

As you step into the world, remember: Immerse yourselves in lifelong learning. Solve real-world problems. Leverage AI to address community needs; Seek partnerships across sectors, locally and globally and let integrity guide your innovations and safeguard public trust.

Under President Ruto’s “Big 4 Agenda” and Vision 2030, Kenya aspires to be a digital innovation hub. Our universities and MKU play a key role to that transformation. In the words of innovators: **“Don’t just learn technology, use it to solve problems.”** Catalyze innovation. Drive AI. Shape the future. Kenya, Africa, and the world need you.

Congratulations to you all.

Immerse yourselves in lifelong learning. Solve real-world problems. Leverage AI to address community needs. Seek partnerships across sectors, locally and globally and let integrity guide your innovations and safeguard public trust.

Message From THE CHANCELLOR

**PROF. JOHN J.M. STRUTHERS,
MA (Hons), MPhil, FRSA, FHEAS**

Chancellor, MKU

It is my pleasure to once more join the Mount Kenya fraternity during this auspicious occasion of the 27th Graduation Ceremony. I convey the warm and hearty greetings from the University of the West of Scotland Community, and my family back home, as I join with you all in congratulating the University Management, Professors, graduating students, and their parents/guardians for this very noteworthy achievement. All of us here today celebrate your success with you.

The past academic year has been another successful year for MKU. Indeed, for the seven years that I have served as the Chancellor at MKU, I have witnessed steady and remarkable growth of the University and today's graduation confirms our vision of a very promising future for the University. To this end, I would also wish to acknowledge and appreciate the new partnership agreements at the university in the course of the past year.

Top of the list is the competitively obtained new status of MKU's United Nations Academic Impact (UNAI) position upon being recognized to serve as the globally recognized UNAI SDG 9 Hub- Chair on Industry, Innovation and Infrastructure. This will be for a three-year period up until 2027. This position brings together other universities that serve as the Vice-Chairs of this Hub; two of which are LaSalle University of Spain and Japan's Nagaoka University of Technology. Importantly, this position has enhanced the university's visibility globally as evidenced by MKU's physical participation at the Global Higher Education Symposium at the UN Headquarters in New York in a high-level discussion on Higher Education Institutions' role in support of the Sustainable Development Goals (SDGs) (or Global Goals) as a universal key priority agenda. I do congratulate the University fraternity for this achievement.

Other partnerships with Marwadi University in India; the National University of Science and Technology International Maritime College Oman (IMCO), Abu Dhabi Maritime Academy, United Arabs Emirates; School of Maritime Studies Centurion University of Technology and Management Bhubaneswar, Odisha, India and Gimcheon University (Republic of Korea) have also contributed positively to the growth of MKU in diverse ways.

Finally, a word of guidance to the graduating students. We now welcome you to the world of work. You have been trained well to equip you to seek employment in your chosen field. Your enhanced employability will also equip you to make meaningful contribution to the development of your local communities. Given the rapid changes in technology in the modern era, especially in AI, I would urge you to remain engaged with your Alma Mater here at Mount Kenya University for further training and postgraduate career support. Life-long education has become a norm today more than ever before. I encourage you all to aspire to further advance your education and training, especially if you aim to remain relevant in these changing and turbulent times.

However, today is a day to celebrate your success with your families. In this regard, remember to thank God and of course your family for their continued support during your university studies in order to reach this important milestone on this auspicious day- the 8th of August 2025- **the day of your graduation**. I wish you success and prosperity in your lives.

Message From

THE CHAIRMAN, UNIVERSITY COUNCIL

DR. VINCENT GAITHO, PhD
Chairman University Council, MKU

It is my honour and privilege to welcome you to the 27th graduation ceremony of Mount Kenya University and congratulate all the graduands. Today, we celebrate not only your academic achievements but also talent development through the skills and critical thinking imparted to you to leverage the AI-driven future to contribute meaningfully to a world undergoing a paradigm shift and transformation driven by the power of Artificial Intelligence.

In line with the graduation theme, **“Catalyzing innovation: Universities as Drivers of Artificial Intelligence”** Mount Kenya University has continued to play a pivotal role in providing the resources needed to drive AI and digital technologies necessary to promote skills-based training, cutting-edge research and development. The University Council has approved strategic local and international partnerships with industry, institutions of higher learning and

“The Council has supported AI-driven automation and optimization, Continuous Professional Development training programs and workshops in AI technologies in curriculum design and delivery...”

communities in support of United Nations Academic Impact Sustainable Development Goals (SDGs) and specifically SDG 9: Industry, Innovation and infrastructure where MKU is the hub chair. MKU has supported establishment of centres of excellence of research, as training grounds for future leaders, and nurturing entrepreneurial ecosystems through incubators and accelerators that support AI-driven startups and social enterprises.

We are aware that to prepare the next generation of AI professionals, universities must increase access to digital infrastructure and AI tools to empower the faculty and administrative staff to embrace and harness AI. The Council has supported AI-driven automation and optimization, Continuous Professional Development training programs and workshops in AI technologies in curriculum design and delivery that equip staff with the knowledge and confidence to use AI-powered systems to improve operational efficiency in teaching, research, and administration. By empowering our staff, we will continue to create a learning environment that is not only technologically advanced but also ethical, inclusive, adaptive, and forward-looking.

To our graduands

As you graduate today, be critical thinkers, ethical leaders and ambassadors of innovation to solve real-world problems, that will uplift your communities. Congratulations, once again. May your journey ahead be marked by fulfilment, purpose, integrity, and impact to the world. Remember the secret of success is a sustained effort and a great will to win.

To our parents, guardians, partners and sponsors

May God bless you for believing in the university and your support in making MKU a global hub in unlocking infinite possibilities in education, research and community engagement frontiers.

Message From THE VICE-CHANCELLOR

PROF. DEOGRATIUS Jaganyi,
PhD, MSc, DIC, MRSC
Vice-Chancellor, MKU

It gives me great pleasure to welcome you all to the 27th and the 4th Graduation ceremony of Mount Kenya University and Equip Africa Institute respectively. I congratulate all the graduands for completing their studies successfully. This success was made possible by a collective support by various stakeholders, who I wish to recognize and appreciate.

Student Matters

I wish to note that a lot of concerted efforts has continued to be invested in striving to ensure that the University enrolls students for the various academic programmes. In the current semester/trimester of May - August 2025, the University registered a total of 60,223 and 1,762 students in Mount Kenya University and Equip Africa Institute respectively. These statistics represent the highest student enrolment that the University has ever achieved in the May-August semester.

Academic Programmes

Our today's graduation theme of **"Catalyzing Innovation: Universities as Drivers of artificial intelligence"** captures the university renewed and envisaged strategic direction where all university curricula will embrace **artificial intelligence attributes** to effectively enhance pedagogy and andragogy for increased educational outcomes. To this end, the University Council has approved and supported a total of thirteen (13) programmes, key among these curricula being Master of Data Science and Artificial Intelligence and Bachelor of Science in Data Science and Artificial Intelligence both of which will be offered in the School of Computing and Informatics.

Research and Innovation

At the heart of our vision lies a firm belief: *"our university must be a breeding ground for job creators, not job seekers"*. Through the Innovation and Incubation Centre, we continue to champion the *Idea to Market* program—a bold initiative that supports our students in transforming their innovative ideas into impactful, market-ready solutions. This program lies at the core of our commitment to producing future-ready graduates equipped to thrive in a dynamic global economy. I am pleased to note that the second cohort of the *Africa Meets Bavaria* program begins this August, with a bold target of training 100 students in digital product development, with a special focus on Artificial Intelligence (AI). Ultimately, we look forward towards progressive utilization of AI for accelerated innovation and research.

Quality Assurance

The successful integration of the ISO 27001:2022 Information Security Management System into our existing ISO 9001:2015 Quality Management System has culminated in the establishment of a robust Integrated Management System (IMS), marking a significant milestone in enhancing operational efficiency, safeguarding institutional data, and reinforcing our quality assurance processes. This dual ISO framework has been guided by three strategic objectives: to uphold the confidentiality, integrity, and availability of university information—forming a critical foundation for secure digital transformation and Artificial Intelligence (AI) readiness; second, to ensure full compliance with the Data Protection Act (2019) and related regulatory requirements on data privacy and security; and to institutionalize a proactive risk management culture that strengthens resilience and builds lasting confidence among our stakeholders.

THE KENYA NATIONAL ANTHEM

O God of all creation
Bless this our land and nation
Justice be our shield and defender
May we dwell in unity
Peace and liberty
Plenty be found within our borders.

Let one and all arise
With hearts both strong and true
Service be our earnest endeavour
And our homeland of Kenya
Heritage of splendour
Firm may we stand to defend.

Let all with one accord
In common bond united
Build this our nation together
And the glory of Kenya
The fruit of our labour
Fill every heart with thanksgiving.

on mutual capacity building, innovation in legal practice, and advancing justice through practical, world-class learning programs.

In the agreement, MKU, through CIDLAW, shall contribute academic infrastructure and student reach while CIARB will bring professional arbitration expertise and global networks. On its part, ILI-SACE will offer international standards in arbitration and ESG (Environmental, Social, and Governance) compliance training.

MKU LEVERAGES ON ARTIFICIAL INTELLIGENCE (AI) FOR ACADEMIC, ADMINISTRATIVE SYSTEMS AND STRUCTURES

Mount Kenya University (MKU) is advancing digital transformation by integrating Artificial Intelligence (AI) into its academic and administrative systems through a partnership with Marwadi Technologies, India. This collaboration supports the University Resource Platform (UniRP), which is a unified, efficient solution for seamless university resource management.

Prof. Simon Gicharu, MKU Chairman, described UniRP as a significant milestone in the university's digital evolution, aligning with MKU's 2025-2029 Strategic Plan, Kenya's Vision 2030, the UN SDGs 2030, East African Vision 2050, and the African Union's Agenda 2063, all aiming for a digitally connected and prosperous continent.

The unveiling of the University Resource Platform (UniRP).

MKU INCORPORATES ARTIFICIAL INTELLIGENCE (AI) TO FOSTER INNOVATION AND IMPROVE OPERATIONS

MKU has integrated AI into its core systems and processes to streamline operations and strengthen service delivery:

University Automation Enhancements

As part of the transition from the Student Management Information System (SMIS) and ERP to the unified University Resource Platform (UNiRP), MKU is deploying automation modules designed to streamline student support, academic processes, and service responsiveness across departments. These modules are either AI-powered or built with the flexibility to integrate AI tools, enabling continuous innovation and smarter service delivery.

Data Analytics and Decision Support

AI-powered analytics are increasingly being used at MKU to extract actionable insights from large datasets related to student performance, resource utilization, and institutional operations. These insights enable academic and administrative leaders to make timely, evidence-based decisions that enhance planning, optimize resource allocation, and improve service delivery across the University.

Proctoring and Exam Integrity

MKU has integrated AI-driven remote proctoring into its Online Examination System (OES) to strengthen assessment integrity.

AI in Driving Research and Innovation Among Faculty and Students

MKU is actively embedding AI into its research and innovation ecosystem

Student Mentorship and Idea Incubation

MKU is redesigning its student innovation agenda with a focus on an AI-powered Incubation Hub that nurtures entrepreneurship and creative problem-solving. The Hub explores the use of AI tools in prototyping, simulation, and business modelling. Through ongoing mentorship, students are supported in developing Minimum Viable Products (MVPs) using generative AI, predictive analytics, and intelligent automation — fostering a culture of innovation and preparing them for the modern workforce.

MEDICAL SCHOOL IS NOW A FULL MEMBER OF THE CONSORTIUM OF MEDICAL SCHOOLS – AFRICA

Mount Kenya University COMS-A Membership Certificate.

We are thrilled to celebrate a monumental achievement — Mount Kenya University Medical School is now a **FULL MEMBER** of the Consortium of Medical Schools – Africa (COMS-A) .

This prestigious membership is a recognition of the school's commitment to excellence in medical education, research, and collaboration across the African continent. As a full member, MKU Medical School now joins a powerful network of institutions dedicated to improving healthcare and advancing medical knowledge in Africa.

Hats off to the leadership, faculty, and students whose hard work and dedication made this possible. Your efforts are not only raising the bar for medical education in Kenya but across the region.

MKU MEDICAL DEGREES RECOGNISED IN USA, UK AND CANADA

The recognition opens doors for doctors trained by MKU to work in those foreign nations.

Mount Kenya University's (MKU's) Medical School's degrees are acceptable in the United States (US), Canada and the United Kingdom (UK)! This follows the April 2025 listing of the MKU Medical School in the World Directory of Medical Schools. In the list, the US's Educational Commission for Foreign Medical Graduates (ECFMG) states: "Graduates of this School are eligible to apply to ECFMG for ECFMG Certification, and for examination..."

MKU Medical School students during a practical session.

Also, as posted on the World Directory of Medical Schools, "...Medical degrees obtained from this medical school are acceptable to the provincial/territorial medical authorities in Canada, and therefore acceptable to all

medical organisations in Canada." Last year, the United Kingdom's (UK) General Medical Council (GMC) granted recognition to MKU's Medical School. The GMC sets standards that doctors and their trainers must meet.

THE ROLE OF MATHEMATICAL BIOLOGY AND MODELLING IN DISEASE CONTROL

Mount Kenya University's Center for Malaria Elimination recently played host to a groundbreaking continental gathering that underscored the transformative power of mathematical modeling in disease control.

The 3rd MaModAfrica Annual Symposium concluded in Mombasa, Kenya, on July 21-22, 2025, marking a significant milestone in Africa's fight against infectious diseases. This gathering served as the final in-person meeting under the current funding cycle, providing a crucial platform to evaluate achievements and chart future strategies for sustained disease control across the continent using mathematical and disease modeling approaches.

Co-hosted by Mount Kenya University's Center for Malaria Elimination under the leadership of Prof. Jesse Gitaka and Dr. Bernard Kanoi at the Pride Inn Paradise Beach Resort & Spa, the symposium brought together participants from eight African nations. Representatives from

Kenya, Mozambique, Rwanda, Benin, Ghana, Burkina Faso, South Africa, and Namibia participated in this transformative dialogue.

MKU Vice-Chancellor Prof. Deogratus Jaganyi delivered a compelling keynote address that redefined academia's role in disease elimination. "The battle for disease elimination, such as malaria, is increasingly becoming a battle of information, with data and its translation into predictive intelligence as the most potent weapons," he emphasized, noting the approach's potential for addressing various African health challenges.

Prof. Jaganyi outlined four pivotal academic roles: serving as architects of predictive intelligence by transforming data into mathematical models; embracing models as strategic engines

that function as "digital twins" for testing complex intervention strategies; cultivating bilingual disease champions who bridge public health and data science; and translating discoveries into practical delivery systems that empower health workers.

The MaModAfrica consortium has achieved remarkable success over three years, training over 30 MSc and 8 PhD students while forging strategic partnerships with National Malaria Control Programmes. These collaborations have generated modeling outputs that directly inform national planning and policy decisions across participating countries.

The Mombasa symposium successfully reviewed progress, shared lessons learned, and strengthened partnerships, establishing a foundation for future regional collaboration and sustainable disease control efforts

throughout sub-Saharan Africa. This initiative positions MKU at the forefront of innovative approaches to public health challenges facing the continent.

MKU SENDS 3RD COHORT OF NURSING APPRENTICES TO GERMANY

Mount Kenya University (MKU) officially flagged off the third cohort of Nursing Apprentices set to travel to Germany for hands-on

training in the healthcare sector. The students, who completed German language training up to B2 level and a preparatory nursing certificate course, were celebrated during

a ceremony at the Mwai Kibaki Convention Centre, led by MKU Vice-Chancellor Prof. Deogratius Jaganyi.

MKU Chair of Council and Pro-Chancellor Dr. Vincent Gaitho, together with Vice Chancellor Prof. Deogratius Jaganyi, pose for a group photo with the students travelling to Germany.

Vice Chancellor Prof. Jaganyi engages in a light moment with the students.

Trained by experienced healthcare lecturers and a DAAD-sponsored German tutor, the students are well-prepared for the international opportunity. The program is part of MKU's partnership with Hochschule Koblenz University of Applied Sciences, aimed at enhancing global education and employability. In Germany, they have been mentored by AG-Career Hub and are pursuing their apprenticeship at Caritas Hospital in Bad Mergentheim and Tauberbischofsheim.

MKU STUDENTS SELECTED FOR INNOVATION EXCHANGE PROGRAM IN GERMANY

Mount Kenya University Vice-Chancellor, Prof. Deogratius Jaganyi (3rd right) presents travel documents to students who travelled to Germany for international exposure through the Africa Meets Bavaria Project for a two-and-a-half-month period.

Three Mount Kenya University (MKU) students—Joy Watiri, Clifford Musyoka, and Mark Kiarie—have been selected for a prestigious two-and-a-half-month innovation exchange program in Munich, Germany, under the fully-funded “Africa Meet” initiative by the Digital Product School at UnternehmerTUM. This opportunity follows their successful completion of a five-month intensive training in design thinking and agile methodologies, conducted in partnership with MKU and the Technical University of Munich.

The program involved 30 students from various MKU campuses who worked in teams to develop digital product prototypes and entrepreneurial skills. Certificates were awarded by the Technical University of Munich, with MKU’s Deputy Vice-Chancellor, Prof. Peter Kirira, presiding over the ceremony. The MKU Vice-Chancellor praised the students for utilizing the university’s Innovation and Incubation Centre to turn ideas into viable ventures and presented symbolic flight tickets to the three selected students.

The initiative, supported by the Bavarian State Chancellery, aims to foster innovation and knowledge exchange between Africa and Bavaria, with MKU being one of only two Kenyan institutions participating. This marks the start of a long-term partnership, with more participants expected later in 2025.

GLOBAL MATERIALISM THREATENS CLIMATE PROGRESS

Mount Kenya University's Pro-Chancellor and Council Chairman, **Dr. Vincent Gaitho**, has warned that global materialism, conquest, and the pursuit of power are major obstacles to climate action and ecological sustainability. Speaking at the **Fourth Dialogue on Exchanges and Learning Among Civilizations** in Dunhuang, China, Dr. Gaitho emphasized the need to rethink current development models that prioritize accumulation over environmental regeneration.

Dr. Gaitho addressed participants on the topic *"Global Civilization Initiative and Ecological Actions: The Dilemma."* He called for renewed global commitment to the Paris Climate Agreement, UN Sustainable Development Goals (SDGs), and national green initiatives, warning that rapid industrialization, digital domination, and overconsumption are worsening environmental degradation and global inequality.

"Civilizations are now battling dilemmas—between economic growth and environmental conservation, technological progress and social equity," he said.

The forum, hosted by the **Chinese Association for International Understanding (CAIU)** and the **Gansu Provincial Government**, brought together over 400 global leaders, scholars, and international organization heads. Under the theme *"Carrying Forward the Silk Road Spirit,"* the event emphasized mutual learning, peaceful coexistence, and inclusive development.

Dr. Gaitho also highlighted Mount Kenya University's role in advancing the SDGs through the **United Nations Academic Impact (UNAI)**. MKU previously served as the global SDG 10 Hub (Reduced Inequalities) from 2021 to 2024, and was recently appointed the **UNAI SDG 9 Hub Chair (Industry, Innovation & Infrastructure)** for 2025–2027. The selection recognizes MKU's student-centered innovation projects and community impact.

On the sidelines of the forum, MKU explored future collaboration with China's **Lanzhou University**, strengthening academic diplomacy between Kenya and China.

Dr. Gaitho concluded by urging world leaders and academics to

base decisions on shared human values—peace, respect for nature, justice, and responsibility to future generations. He cautioned that without deliberate choices, even modern global initiatives like the Silk Road could collapse under the weight of inequality and competition.

"The Global Civilization Initiative must be driven by conscious decisions that exalt peace, cooperation, and environmental responsibility," he said.

Chinese Vice-President **Han Zheng** echoed similar sentiments, calling for sincere dialogue and cooperation among nations to build a harmonious and inclusive global order.

MKU HOSTS GERMAN EMBASSY DELEGATION TO STRENGTHEN GLOBAL EDUCATION PARTNERSHIPS

Germany's Deputy Ambassador, Mr. Alex Fierley (left) and Mount Kenya University Vice-Chancellor, Prof. Deogratius Jaganyi during his official visit to Mount Kenya University.

Key Highlights of the Visit:

1. Courtesy Call with the Vice-Chancellor – Strengthening ties between MKU and the German Embassy.
2. Presentation on MKU-Hochschule Koblenz Partnership – Showcasing student exchange and professional training programs.
3. Interactive Session with Students – Engaging discussions on studying and working in Germany.
4. Campus Tour – Providing insights into MKU's facilities and learning environment.

Mount Kenya University (MKU) was honored to host a high-level delegation from the German Embassy in Kenya on April 2, 2025, led by Deputy Ambassador Alexander Fierley. He was accompanied by Ms. Kerstin Pfirrmann, Culture Attaché, and Dr. Dorothee Weyler, Director of DAAD (German Academic Exchange Service).

The visit focused on enhancing MKU's collaboration with Hochschule Koblenz, particularly in supporting Kenyan students pursuing apprenticeships and academic opportunities in Germany.

Corporate Social Responsibility

MKU NAIROBI CAMPUS SPREADS HOPE AND KINDNESS IN A HEARTFELT CSR VISIT TO MJI WA HURUMA

Mount Kenya University (MKU), Nairobi Campus, demonstrated its commitment to community service through a Corporate Social Responsibility (CSR) visit to *Mji wa Huruma*, an elderly care home in Runda, on April 28, 2025. The event brought together students, staff, and faculty in a show of compassion, featuring

interactions with the elderly, spiritual encouragement, and the delivery of essential donations such as food, clothing, and hygiene items.

The initiative emphasized the university's holistic approach to outreach addressing physical, emotional, and spiritual needs while reinforcing values like empathy,

leadership, and civic responsibility among students. Campus Management Representative Mr. Muiruri reaffirmed MKU's dedication to building sustainable, impactful community partnerships. The visit left a lasting impression on both the residents and participants, showing that even small acts of kindness can make a meaningful difference.

MKU SUPPORTS KAREN HOSPITAL'S HEART-TO-HEART RUN

Mount Kenya university supported the Heart to Heart Foundation during its annual marathon, which was held on July 5, 2025 at Karen Waterfront Mall. The university donated Sh370,000 to the Foundation, an arm of Karen hospital that supports heart operations on deserving children with heart conditions.

The University's team, led by Prof Peter Wanderi, flagged off the marathon.

The Chairman of MKU Foundation board of directors Prof Simon Gicharu, in a speech read on his behalf by Prof Wanderi congratulated Karen Hospital's Heart to Heart Foundation for the successfully organized 2025 Heart-To-Heart Run marathon. The Foundation has been organising annual runs since 1993.

Prof Gicharu noted that health is a key part of Kenya's Vision 2030 Social Pillar and directly aligns with the UN's Sustainable Development Goal 3 (Good Health and Wellbeing). It also aligns with the goals of MKU, which is a member of United Nations Academic Impact

(UNAI) and will chair the UNAI SDG 9 Hub for Industry, Innovation, and Infrastructure from 2025 to 2027.

"Therefore, what has brought us here this morning is both of National and International importance," he said.

He added that the Karen Hospital and MKU have been cordial partners in promoting healthcare.

"MKU Foundation as well as MKU's College of Health Sciences are prominent stakeholders. MKU has invested in schools within the College of Health Sciences namely

the School of Nursing, School of Public Health, School of Pharmacy, School of Clinical Medicine and Medical School," he said.

"As a university we are happy with the partnership that we have with the Heart-to-Heart Foundation and The Karen Hospital fraternity."

Prof Gicharu also commended the Heart-to-Heart Foundation for identifying an annual physical run as the fundraising method, noting that aside from generating revenue for the Foundation, running is beneficial to the health of the participants.

Thousands of participants including children braced the chilly morning at Karen Waterfront to touch hearts of deserving heart patients.

FREE MEDICAL CAMP IN MOMBASA COUNTY

Mount Kenya University (MKU), in partnership with the Mombasa County Government and local medical professionals, successfully held a free medical camp from May 26–28, 2025, at Tononoka Social Hall in Mombasa. The camp provided a wide range of healthcare services, including medical consultations, health screenings, dental and eye care, mental and reproductive health services, nutrition support, and free medication, attracting hundreds of local residents.

Students and faculty from MKU's College of Health Sciences played a central role in service delivery. Dr. Njuguna Wanjeri, Principal of the College, highlighted the camp's importance in offering practical exposure for medical students and its timeliness amid ongoing malaria and dengue fever outbreaks in the region. He praised the university leadership and the Mount Kenya University Health Students Association (MKUHSA) for organizing and supporting the initiative.

MKU staff and students offered free medical camp to residents of Mombasa.

TIMES HIGHER EDUCATION CONFERENCE, KIGALI

Mount Kenya University (MKU) and Mount Kigali University were jointly represented by MKU Vice-Chancellor, Prof. Deogratius Jaganyi, at the **Times Higher Education African Universities Summit**, held from March 18–20, 2025, in Kigali, Rwanda. Prof. Jaganyi was accompanied by Prof. Peter Wanderi, Mr. Boniface Murigi, and teams from both MKU Kenya and MKU Rwanda. The summit's theme was **“United Leadership: Harnessing African Education for Sustainable Growth.”**

A key highlight was the **signing of a Letter of Intent (LOI)** between MKU (Kenya and Rwanda) and **Prince Sattam Bin Abdulaziz University (PSAU), Saudi Arabia**, focusing on collaboration in research, innovation, capacity building, policy advocacy, entrepreneurship, and governance. The LOI was signed on March 19, 2025, by Prof. Jaganyi and Prof. Rayed Alyousef, PSAU's Vice President for Research and Postgraduate Studies.

Vice President, Research & Postgraduate Studies, Prof. Rayed Alyousef, PSAU, share a light moment with MKU Vice-Chancellor, Prof. Deogratius Jaganyi during the conference.

During a roundtable hosted by PSAU, Prof. Jaganyi invited PSAU to join MKU's **UNAI SDG9 Hub**, and inquired about their UNAI membership. Notably, Makerere University Vice-Chancellor **Prof. Barnabas Nawangwe** also participated in the roundtable and

later held discussions with Prof. Jaganyi to explore strengthening the MKU–Makerere partnership. Prof. Nawangwe also expressed appreciation for being a past guest speaker at an MKU graduation ceremony.

MKU DELEGATES ATTENDS 13TH IUCEA ACADEMIA PUBLIC-PRIVATE PARTNERSHIP FORUM CONFERENCE 2025

A delegate from Mount Kenya University attended the 13th IUCEA academia public-private partnership forum conference 2025, in Kigali Rwanda. The University is dedicated to join academic institutions in paving constructive discussions aimed at improving education sector regional.

The University was represented by Vice-Chancellor Prof. Deogratius Jaganyi, Prof. Peter Wanderi and Mr. Boniface Murigi who is the director Communication and Corporate Affairs.

Prof. Peter Wanderi, Principal Corporate Services, Communication and Director Linkages and partnerships made a presentation on United Nations Academic Impact (UNAI) SDG 9: Industry, innovation and Infrastructure. Mount Kenya University is the UN academic Impact SDG9 hub

Delivering a Keynote speech on "Private sector perspective on Academia-industry collaboration" Dr. Vincent Gaitho, Chairman,

Education Sector, Kenya Private Sector Alliance (KEPSA) and Chairman, Mount Kenya University Council said, "At the dawn of the 3rd decade of the 21st century, the world is awake to a new frontier of Artificial Intelligence (AI) and relevance of business as usual paradigm. Never before has the question of academia-industry collaboration been featured than now". The 13th APPPF 2025 sought to delve into sustainable growth East Africa in the context of a competitive world.

"At the dawn of the 3rd decade of the 21st century, the world is awake to a new frontier of Artificial Intelligence (AI) and relevance of business as usual paradigm. Never before has the question of academia-industry collaboration been featured than now".

Key factors to consider is the relevance of programmes EA Universities are offering to the industry. There's need to engage the industry in programme development and review if the universities are to meet the talent requirements by the industry. There is need for pursuing industry relevant research in order to offer solutions while ensuring new products and services, new markets and new fields. Universities should allow engagement of industry champions in contributing to training and supervision while underscoring reliable industry engagement through dual training, internships and apprenticeships. Universities should inculcate work ethics and soft skills relevant to work environments to graduates while seeking opportunities to solve industry problems.

Meanwhile, the universities should be at the forefront to disrupt the norm and trigger EA based solutions to EA. Furthermore, academic industry collaboration should be superseded by intra and inter academia sector collaboration as a panacea for sustainability.

STEP-S PROJECT COMMISSIONING/GRADUATION

MKU (DVC, Academic & Research Affairs), Dr. Merciline Kamande addresses the participants during the commissioning ceremony.

The Student Training for Entrepreneurial Promotion – Sustainability (STEP-S) project at Mount Kenya University (MKU) commissioned 122 graduates who completed the training between September and December 2024. The graduates received certificates certified by Leuphana University, Germany. The commissioning ceremony featured Mr. Peter Muchinju (MPESA Academy Foundation)

as chief guest and MKU's DVC-ARA, Dr. Mercyline Kamande. Both encouraged graduates to use their entrepreneurial skills to create job opportunities and become impactful entrepreneurs.

STEP-S is a collaborative project involving MKU, Leuphana University (Germany), Godfrey Okoye University (Nigeria), and University of Venda (South Africa), funded by the German Academic Exchange

Service (DAAD). It aims to promote entrepreneurship among university and secondary students. In 2025, the project plans to train an additional 200 undergraduate students.

The project at MKU is coordinated by Mr. Bonface Joel Malala, who is expected to become the first STEP-S Master Trainer in Eastern Africa and the third in Africa later this year.

**Jecinta Waitherero Waititu. -
PHDBA/2019/50853**

This has been a life changing journey with deep fulfillment. The step-by-step guide which included course work, proposal development, data collection, thesis writing and numerous seminar presentations taught me about determination, self-discipline, and the ability to think critically – this tested my resolve

and sharpened my scholarly depth. I want to appreciate the entire leadership of the University, The exclusive Directorate of Graduate Studies, School of Business and Economics, my supervisors, and the rest of the administration for their collective support and high level professionalism. The robust IT systems and other digital MKU resources made remote research, collaboration, and supervision easier.

I am honored to have contributed to the growing body of knowledge in strategic management with a special focus on Kenya's leather industry. This achievement opens up new avenues in research, consultancy, policy development

and leadership. To my fellow scholars: remain resilient and lean on the support systems in place. The journey may be tough but the outcome is deeply rewarding.

**Daniel Kimata Githuthwa -

The studies have made me a career instructor, and a seasoned Counselor Psychologist, a civil and

global contributor through research and publications. A collaborator who demonstrates the ability to work interdependently with diverse perspectives to promote learning and achieve common goals.

My future prospects are to excel in areas of human behavior and societal dynamics, actively involved in institutions that address mental health disparities, promote resilience and overall betterment of societal health.

The University management and the faculty of Psychology, have tremendously assisted me to achieve both my Doctorate Degrees by providing a conducive study environment, learning resources and well trained and experienced lecturers. To those incoming and in progress, achievement depends on personal interest, career goals, prior research on career path you are to take and individual circumstances.

Hellen Kaluai
-PHDCP/2018/36673

This research was my desire to acquire knowledge, on human behavior; help others to understand themselves and their environments. A study in Counselling psychology further enhances my self-awareness and development of positive attitude towards relationships in life.

The mentorship and guidance received from my supervisors and faculty members form a basis of fortitude in my future life.

My supervisors' commitment, encouragement and strong academic expertise made this dream come true. The challenges and rewards uncovering doctoral study were immense. I have achieved the virtues of patience and a sense of accomplishments in life.

This research will add knowledge to the counselling practice and researchers on human behavior modification techniques. Students in counselling psychology, aim higher than you have anticipated; build resilience and humility to be guided to achieve your goals.

Completing my PhD in Public Health at MKU has been one of the most rewarding academic journeys of my life. Having previously obtained my Master's degree from the same institution, I have spent the last eight years for both degrees growing academically and professionally within MKU. Over this period, I witnessed remarkable improvements in systems and support structures that enhanced the learning experience. The PhD process was rigorous yet fulfilling, and I was able to complete my studies within record time.

The support from MKU's faculty and university leadership was instrumental in helping me achieve my academic aspirations. My research added to the growing body of knowledge on public health interventions in fragile contexts, and

I am proud of that contribution. To fellow students: stay close to your supervisors, monthly virtual check-ins and quarterly visits go a long way. Looking ahead, I am committed to giving back to the department that shaped me by supporting others on their academic journey at MKU.

It is with great pride that I announce the successful achievement of my long-held objective, a milestone that marks the culmination of an arduous yet profoundly meaningful journey of personal and intellectual growth.

My scholarly inquiry centered on the psychological wellbeing of educators, a topic too often neglected despite its profound influence on students' academic achievement and emotional health.

It is my fervent hope that this dissertation, as it takes its place among the library's holdings, will stimulate substantive dialogue and catalyse tangible initiatives aimed at uplifting both teachers and learners. I extend my heartfelt gratitude to Mount Kenya University for their unwavering support throughout this academic endeavour.

Pursuing my PhD in Law Enforcement and Justice Administration at MKU has been an intellectually fulfilling and transformative experience. The academic journey—from proposal development to thesis defense was marked by rigor, critical inquiry, and high scholarly standards. I greatly benefitted from the support of the university's faculty and management, whose consistent guidance, timely feedback, and encouragement were invaluable in shaping my research on reforms within law enforcement agencies and their impact on institutional performance.

MKU provided a stimulating academic environment, supported by accessible resources and a strong commitment to research excellence. This achievement has expanded my prospects in academic leadership, research, and public sector engagement. To those undertaking doctoral or other studies at MKU, I encourage you to stay the course, leverage the support structures available, and believe in your ability to make a meaningful contribution. The journey may be demanding, but the rewards both personal and professional are well worth the effort.

The PhD journey was challenging, intense, vigor and deeply motivating. The structured processes and high standards have refined my research abilities and deepened my competencies. This journey profoundly impacted my intellectual abilities and professional development. I am greatly indebted to my supervisors for their invaluable input, for their several but necessary corrections during the development up to completion of my scholarly doctoral thesis.

Pursuing this doctorate degree has been profound in personal and professional growth in my career. To my fellow scholars remember that persistence and resilience are key each challenge is an opportunity to grow closer to your goals, I encourage you to be persistent, the reward is worth the effort.

**Rebecca Bwari Arogo-

I pursued my PhD in Educational Management, Leadership, and Administration at MKU, and the journey has been both challenging

and rewarding. While the PhD process included demanding coursework, rigorous assignments, and a four-tier defense system, it significantly contributed to my personal and professional growth. The experience sharpened my research skills and expanded my academic knowledge, especially through collaborations with supervisors and peers. Despite setbacks, I learned resilience and the importance of adaptability.

The support I received from MKU's management, including academic advising, mental health services, and financial aid, was crucial to my success. Looking ahead, I aim to pursue a postdoctoral position and later a faculty role to contribute to advancing knowledge in my field. I encourage prospective students to consider MKU, which offers a supportive environment for both personal and academic development.

**Esther Wangui Mandania-
PHDMLS/2020/66736**

My PhD journey at Mount Kenya University has been a rewarding and transformative experience with both academic and personal growth. The university's commitment to academic excellence was evidenced by the rigorous research process I went through with strong emphasis on methodological precision, ethical integrity and critical thinking. This would not have been possible were it not for the immense support from the university management and

faculty. The smooth administrative processes, provision of academic resources such as state-of-the-art facilities, well equipped postgraduate center, digital libraries ensured that I was able to access research databases remotely.

The faculty provided immense support from highly dedicated supervisors, their expertise, and insightful feedback during seminars provided a nurturing and stimulating environment. My PhD has significantly contributed to the body of knowledge in the field of Medical Laboratory Sciences. One of the primary contributions of my study is the elucidation of the hematological abnormalities of HIV – infected patients on antiretroviral therapy addressing a critical gap that had previously received limited attention in our region. Dissemination of my work through peer reviewed journals and other forums have ensured that my

contribution reaches both academic and other stakeholders involved in policy formulation. To those who are still navigating their academic journey, keep going, trust in your potential, embrace challenges and know that every step matters.

I chose Mount Kenya University for my Doctor of Philosophy program in Educational Management, Leadership, and Administration, where I have gained valuable experiences. Despite typical academic challenges, my time at

the university has been rewarding, contributing to both personal and academic growth. The process of completing assignments, defending my thesis, and receiving feedback from the review committee helped refine my research skills. The PhD journey was transformative, with coursework demanding discipline and effective time management.

The opportunity to conduct original research was particularly fulfilling, enhancing my analytical abilities. While setbacks like unexpected research outcomes tested my resilience, they taught me perseverance. The support from my supervisors and the university, including academic advising and mental health services, was essential to my success. Looking ahead, I aim to pursue a postdoctoral position and later contribute to academia or policy. Thanks, and may God Bless Mount Kenya University.

SCHOLARSHIP BENEFICIARY

Nicholas Kiplagat Kiprono

I take this opportunity with utmost humility and gratitude to sincerely appreciate Mount Kenya University, visionary founder, Prof. Simon Gicharu, and the entire university management for the life-changing scholarship that I was honored to receive. As one of the pioneer five beneficiaries

from the Nakuru Campus, I was awarded a full academic scholarship to pursue a Bachelor of Business Management (International Business) degree. This opportunity not only relieved the financial burden of higher education but also ignited a transformative journey that has shaped the course of my life and career.

Through the solid academic foundation laid at Mount Kenya University, I graduated with First Class Honors, a milestone that has opened remarkable professional pathways. Today, I proudly serve as the Senior Marketing & Projects Officer at Agricultural Development Corporation, a role that allows me to

contribute to national development through strategic marketing and project implementation. My journey is a testament to the power of access to education and the vision behind the MKU scholarship program.

I also wish to highlight the promissory clause of the scholarship that pledged a fully-funded Master's degree for any undergraduate beneficiary who graduates with First Class Honors. I look forward to this next academic chapter with optimism and continued gratitude.

In conclusion, thank you MKU for believing in my potential. Your support has not only empowered me but continues to inspire many others across the country.

MKUSA ALUMNI LEGACY DINNER: Celebrating Leadership Then, Now, and Tomorrow

Group of MKUSA Alumni presidents and Vice presidents joining the DVC-APIA, Prof. Kirira and Chief Guest, PS, Youth Affairs, Hon. Fikirini Jacobs for a cake cutting session during MKUSA Alumni dinner.

Mount Kenya University hosted the MKUSA Alumni Legacy Dinner on Saturday, 14th June 2025, at Maxland Hotel, Thika — a memorable evening that brought together over 150 former student leaders from across MKU campuses. The event was an inspiring celebration of leadership, growth, and lifelong impact.

Distinguished guests included Principal Secretary for Youth Affairs and the Creative Economy, Mr. Fikirini Jacobs (former student leader of Pwani University), Hon. Charles Karondo (Alumni and Chairman, Athi Water Works), and Hon. Osman

Korar (Alumni and CEC for Youth Affairs, Sports and Communication, Kiambu County). The keynote address was delivered by renowned leadership coach and speaker, Mr. Robert Burale.

The dinner, themed “Leadership Then, Now, and Tomorrow,” provided a platform for alumni to reconnect, reflect, and inspire a new generation of change-makers. It featured powerful storytelling and rich insights into how student leadership experiences at MKU continue to shape national and corporate leaders across Kenya.

Equip Africa Institute 4th Graduation

WHAT EQUIP AFRICA IS EYEING IN THE 4TH GRADUATION CEREMONY AND BEYOND

As Equip Africa Institute marks its 4th graduation ceremony, the institution celebrates not only the success of its graduates but also a pivotal moment of strategic focus and expansion.

The Institute has continued to experience a **steady increase in student enrollment**, a reflection of the growing trust in its competency-based training model and its relevance to the needs of the job market. This upward trend is a strong endorsement of Equip Africa's commitment to quality, accessible, and skills-based education.

Looking ahead, Equip Africa is placing strategic emphasis on

the **expansion of market-driven programmes**, particularly in the **Medical and Health Sciences** as well as **Engineering** fields. These areas have been identified as key to national and regional development, and the Institute is determined to produce highly skilled professionals ready to serve in these critical sectors.

To enhance focus and excellence, Equip Africa Institute's training is being reorganized into Centres of Excellence. Each Centre will specialize in a distinct area, enabling deeper industry engagement, and improved infrastructure.

Notably, the institute has initiated a process of linking training with

available job opportunities, both locally and abroad. In this regard, 29 students who successfully completed the German Language B2 level and the Apprenticeship Programme are scheduled to leave for Germany in September. Over 60 students have secured placements in international cruise ships after successfully completing the STCW Maritime Programme, opening up promising global career paths.

The 4th graduation ceremony thus marks not just a celebration of academic achievement, but also a launchpad for the next phase of growth, innovation, and impact for Equip Africa Institute.

Student Leadership

MKU STUDENTS ASSOCIATION (MKUSA) LEADERSHIP INDUCTION

Newly elected student leaders from all Mount Kenya University campuses are immediately taken through a comprehensive induction programme upon being sworn into office.

The induction aims to familiarise leaders with the university's operations, governance structures, rules, and regulations. In addition to administrative orientation, the programme offers training on leadership, financial management, and mental health awareness, equipping leaders with the critical skills to effectively serve the student body and contribute to university development.

Student leaders from all MKU campuses join Dr. Jane Nyutu (MKU Co-Founder), Dr. Felix Kíruthu (University Council Member), Prof. Deogratius Jaganyi (Vice-Chancellor), Dr. Merciline Kamande (DVC – Academic & Research Affairs), and other university staff pose for a group photo during their induction programme held in Mombasa.

Dr. Jane Nyutu, MKU Co-Founder and Director of the Mind & Beyond Counselling Centre, addresses student leaders on the importance of mental health during their induction programme.

Dr. Emmanuel Owuor, Dean of Students, shares a light-hearted moment on the dance floor with student leaders during the MKUSA Induction Dinner.

Mount Kigali University, Rwanda

University Partners with Rwanda's First Lady to Expand Early Childhood Education through Imbuto Foundation

Mount Kigali University (MKU) Founder Prof. Simon Gicharu (center) with the Director General of Rwanda's Imbuto Foundation Ms Elodie Shami (left) when they toured the newly constructed ECD tuition block. The facility, located at Masaka Kicukuru District in Kigali, is among the ECD centres whose construction has been made possible through the partnership between MKU and Imbuto Foundation. The centres are expected to increase access to early childhood education. Also joining the tour were DEA Mr. Mutsinzi Antoine.

Mount Kigali University has donated Sh5 million (Rwf. 50.75 million) to Rwanda's Imbuto Foundation for the construction of model Early Childhood Education classrooms. The Foundation, which is the brainchild of Rwanda's First Lady Jeannette Kagame who is also its chairperson, focuses on programmes spanning education, health and youth empowerment.

Prof Simon Gicharu, the founder and Chairman of MKU, said the contribution would support the construction of ECD classes in two schools, one in Kigali and another outside the capital.

"This contribution is part of our ongoing commitment to corporate

social responsibility. By contributing to the construction of the ECD Model Class, we are investing in the future of Rwanda's children, providing them with the opportunity to receive quality education from the earliest stages of life," he said when he handed the cheque to Imbuto Foundation Director General Elodie Shami

"We remain committed to supporting education and this contribution is only one part of our long term strategy to make a lasting impact to the ECD model and look forward to more initiatives."

Prof Gicharu also acknowledged the work that the Imbuto Foundation has been undertaking to support underprivileged children, especially girls to access education. Some of the

children supported by the Foundation had gone to successfully pursue university education and settled in different careers.

"The Foundation's dedication to empowering young learners and ensuring they have access to education aligns with our values, and we are proud to be part of this impactful journey."

"It is inspiring to witness the success of individuals supported by the Imbuto Foundation, such as a young woman who has completed her degree at Mount Kenya University and is now pursuing her master's degree. Her achievement is a testament to the foundation's vital role in empowering the youth, especially girls, and giving them the tools to succeed."

Imbuto Foundation is one of Rwanda's most impactful organizations. It has in the past partnered with MKU to increase educational access for bright students in Rwanda who hail from economically disadvantaged backgrounds. Shami said, the contribution by MKU that was made last Thursday will help the foundation's endeavours geared at educating young Rwandans across the country.

"Investing in early childhood development creates a domino effect and more people are starting to get the importance of investing in those 1,000 days of a child but also educating the parents about nutrition and hygiene that goes into raising thriving citizens," she said.

Prof. Simon Gicharu the founder of Mount Kigali University paid a courtesy call to the CEO of Mr. Jean-Guy Afrika. During the deliberations, Mr Jean-Guy Afrika welcomed the partnership between the university and to establish a regional Institute for Hospitality training in Rwanda.

The fully fledged university, will start offering Doctor of Philosophy (PhD) programmes, marking a major milestone for the institution as it celebrates 15 years this year since it started operations in Rwanda.

Kabarebe James. The two held discussions geared towards strengthening investments in education that can attract international students to the region.

Message From

THE VICE-CHANCELLOR, MOUNT KIGALI UNIVERSITY

DR. MARTIN KIMEMIA GATHIRU, PhD.
Vice-Chancellor, Mount Kigali University

To our graduates the world awaits you, not just for what you know, but for who you are. The marketplace will applaud your skills, but society will trust your integrity. The future belongs to those who combine knowledge with wisdom, ambition with humility, and success with service. Remember always: *“Innovation without values is noise; leadership without humility is hollow.”*

To our devoted parents, guardians, and families this milestone is your triumph too. Your faith, sacrifices, and steadfast support have been the quiet strength behind this success. Today, we honour you as vital partners in this remarkable journey.

“Artificial Intelligence will indeed shape the future, but it is human intelligence, anchored in values, creativity, and vision, that must give it direction.”

Today, we stand together at a remarkable intersection of achievement and possibility. On behalf of the Governing Body, University Management, Senate, our dedicated faculty, staff, and the entire Mount Kigali University community, I extend my warmest congratulations to the distinguished Class of 2025. You arrived as learners today, you emerge as innovators, leaders, and torchbearers of a new age.

This year’s theme *Catalyzing Innovation: Universities as Drivers of Artificial Intelligence* challenges us to reflect on the purpose of higher education in a world on the cusp of transformation. Artificial Intelligence will indeed shape the future, but it is human intelligence, anchored in values, creativity, and vision, that must give it direction. Innovation is not an end in itself; it is a force to be guided by character, purpose, and responsibility.

To our faculty and staff thank you for going beyond teaching, for mentoring with heart, and for modelling the values that make Mount Kigali University a home of excellence. You have turned potential into promise and learning into legacy.

As a proud member of the Mount Kenya University family, Mount Kigali University stands for more than academic excellence. We believe that true leadership is not about titles or privileges but about presence, trust, and the courage to do right especially when no one is watching. The world does not wait for the hesitant. It rewards those who lead with conviction and serve with humility. Your degree is not a destination; it is a key to possibility, to impact, and to a future you are called to create.

Class of 2025 — go forward. Break boundaries. Challenge conventions. Lead with heart. The future is not a place we are given; it is a world we build.

Congratulations! The world is yours, light it up!

A large, multi-story institutional building with a light-colored facade and numerous windows, some with metal grilles. The building has a complex roofline with multiple gables and a prominent curved section on the right side. A small emblem is visible on the right side of the building. The entire image is overlaid with a semi-transparent orange filter. At the bottom, there is a decorative graphic consisting of a thick yellow wave-like shape over a solid blue background.

THE PHARMACIST'S OATH

I,.....

Reg. No. Do hereby swear that:

- I will practise my profession of pharmacy with conscience to uphold its dignity and honour; holding myself and my colleagues to the highest principles of our profession's moral, ethical and legal conduct.
- I will actively search for and disseminate new skills and knowledge of the profession and related disciplines; accepting the lifelong obligation to improve my professional knowledge and competence.
- I will use my knowledge, experience and skills to the best of my ability to ensure optimal outcomes for the patients and to relieve human suffering in sickness and illness while maintaining the welfare of Humanity.
- I will consult, co-operate with, and seek counsel from fellow Pharmacists and other health Professionals.
- I will practise the profession without prejudice while embracing and advocating changes that improve patient care.
- I will not distribute or promote the use of substances in a manner that is harmful to humanity.
- I will abide by the rules and regulations governing the practice of pharmacy including the objectives of the Code of Ethics of Pharmacy Practice in Kenya and pledge to assist in their enforcement and promotion.
- I will respect and protect all personal and health information, keeping all secrets I learn and as entrusted to me in the course of my professional duties.
- I make these solemn promises freely and upon my honour with the full realization of the responsibility with which I am entrusted by the public and society.

So Help Me God!

HIPPOCRATIC OATH - School of Clinical Medicine

I,.....

Reg. No. swear to fulfill, to the best of my ability and judgement, this covenant: I will respect the hard-won scientific gain of those physicians in whose steps I walk, and gladly share such knowledge as is mine with those who are to follow. I will apply, for the benefit of the sick, all measures that are required, avoiding those twin traps overtreatment and therapeutic nihilism. I will remember that there is art to medicine as well as science, and that warmth, sympathy and understanding may outweigh the surgeon's knife or the chemist's drug.

I will not be ashamed to say "I know not," nor will I fail to call in my colleagues when the skills of another are needed for a patient's recovery.

I will respect the privacy of my patients; their problems disclosed to me that the world may not know. Most especially must I tread with care in matters of life and death. If it is given to me to save a life, all thanks. But it may also be within my power to take a life: this awesome responsibility must be faced with great humbleness and awareness of my own frailty. "Above all, I must not play at God".

I will remember that I do not treat a fever chart, a cancerous growth, but a sick human being, whose illness may affect the person's family and economic stability. My responsibilities include these related problems, if I am to care adequately for the sick.

I will prevent disease whenever I can; bearing in mind prevention is preferable to cure.

I will remember that I remain a member of society, with special obligations to all my fellow human beings, those of sound mind and body as well as the infirm.

If I don't violate this oath, may I enjoy life, be respected while I live and remembered with affection thereafter. May I always act so as to preserve the finest traditions of my calling, and may I long to experience the joy of healing those who seek my help

So Help Me God!

Mt. Kenya University Sacco

MOUNT KENYA UNIVERSITY REGULATED NON-WDT SACCO SOCIETY LTD

The Mount Kenya University Sacco has recently acquired new office space, a significant step towards enhancing efficiency in service-delivery and addressing the increasing number of members. This development is poised to greatly benefit the organization by streamlining operations and catering for the growing demands of its members.

The Sacco envisions attaining significant growth in various key performance indicators in its strategic plan, such as growth in

core capital, deposits, loan book and management of loan-defaulting. Recently the Sacco opened its common bond to allow other members outside Mount Kenya University to join. The Sacco loan services include Development Loan, Education Loan, Loan Repurchase, Emergency Loan, Jiendezeze Loan, and Super Okoa Loan. Further, the Sacco has invested heavily in ICT where recently a Mobile Loan product dubbed MKU Express was launched. By dialling *483*040# members can easily access the loan instantly without completing physical forms.

Professional Researchers and Innovation meet at Mwai Kibaki Convention Centre during the Grand Launch 2025.

Welcome to

MWAI KIBAKI CONVENTION CENTRE (MKCC)

**MKCC is a centre for Meetings, Incentives,
Conferences and Exhibitions**

Mwai KIBAKI CONVENTION CENTRE SEMINAR ROOMS

The Mwai Kibaki Convention Centre has a capacity of 2000 people accommodated in three deck levels. It also has seminar rooms, offices and utility areas. It is designed to be used as a Convention Centre to serve a variety of purposes such as staging of plays, music, presentations, speeches etc. The design concept is a timeless shell where ideas and innovations are enveloped. The structure also rises gradually from a focal point of knowledge and graduates dynamically towards new inventions. The science behind the structure has taken into consideration high level of acoustics and design of detailed sight lines to ensure an all-inclusive audience participation. Whereas there is use of local materials, there is also incorporation of modern materials to ensure the audience enjoy best ambience.
